

## **Accessibility Statement for Open Studio**

Open Studio is committed to ensuring digital accessibility for people with disabilities. We are continually improving the user experience for everyone, and applying the relevant accessibility standards.

### **Measures to support accessibility**

Open Studio takes the following measures to ensure accessibility of Open Studio:

- Include accessibility as part of our mission statement.
- Include accessibility throughout our internal policies.
- Integrate accessibility into our procurement practices.
- Open Studio's physical facilities have been renovated to be barrier-free.

### **Conformance status**

The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. Open Studio is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.

### **Feedback**

We welcome your feedback on the accessibility of Open Studio. Please let us know if you encounter accessibility barriers on Open Studio:

- E-mail: [office@openstudio.ca](mailto:office@openstudio.ca)

### **Assessment approach**

Open Studio assessed the accessibility of Open Studio by the following approaches:

- Self-evaluation
